Presents

"Our

Book

Of

Golden

Memories"

IN APPRECIATION . . .

We wish to express our sincere thanks and deepest appreciation to our parents for the innumerable sacrifices and efforts they have made. In all our treacherous and uncertain years of growing up, they have aided, advised and stimulated us into becoming the young men and women we are. To ever keep this fact in mind, we are using this page in our book of conveying our sincere appreciation.

DEDICATED TO . . .

Mrs. Julia B. Kelly

Throughout our school years, we have been influenced by many persons. But of all the persons who have had a hand in our destiny, there is one that we shall long remember because of her wise counsel, patient understanding and thoughtfulness. In testimony of our gratitude and appreciation, we humbly dedicate this sixteenth edition of the Tiger to Mrs. Julia B. Kelly.

ADMINISTRATION

PRINCIPAL'S MESSAGE

I extend hearty greetings and congratulations to members of the Bar Staff and Advisors for the efficient publications of another annual volume of the Bar. As the years come and go, I hope your effort in this regard will serve as a cherish source of memory.

I praise the parents too, who have faithfully and diligently worked hard to help make the publication and editing a successful venture. May you always realize that all worth-while achievements come as a result of time and effort well planned and used. Worthy achievements of a necessity must be wrought by the combined work, ideals, and aspirations of all concerned.

To the members of the graduating class, I extend farewell. I hope that you have attained a full measure of information; I also trust that you have learned how to think and how to live better.

One main purpose of education is to teach you to think. By learning how to think, you are better able to make wiser decisions and discover things that are worth thinking about; moreover, you can put yourself in a better position for enjoying a happy life.

Finally, to the members of the graduating class, I say in the words of Nicholas Butler:

> There are five tests of the evidence of education-- correctness and precision in the use of the mother tongue; refined and gentle manners, the result of fixed habits of thought and action; sound standards of appreciation of beauty and of worth; a character based on these standards; power and habit of reflection; efficiency of the power to do.

I challenge you to use the above ingredients in your search for a successful and happy life. May the spirit of the Divine lead you.

CLASS HISTORY

A birth certificate was drawn up on August 25, 1962, at Dunbar High School, East Spencer, North Carolina, and was issued to the class of 1966. What an occasion that was! On that day, we started to make history, for we had a group of energetic, talented, and intelligent students starting a four year trek through high school.

To help us get started off were three able advisors: Mrs. Ida Duncan, Mrs. Sara McLendon, and Mrs. Naomi Mitchell.

Our first historic feat was our winning the title of "Miss Dunbar," with Delphia Henderson as our contestant. Our second historic accomplishment was Linda Beatty's becoming the "May Queen".

We certainly made history in sports, for these figures were always in the headlines during the football season: Romus Jefferies, Lonnie Sifford, Andrew Harris, Marion Faulkner, George Heggins, Raymond Lomax, John Wylie, and Tommy Roberts.

During the school year '63 - '64, we were vigorous Sophomores and continued to make history. We were more accustomed to being high school students, but, in case of need, we looked to these advisors: Mrs. Mary Leazer, Mrs. Marion White, and Mr. James Pemberton.

Making history for our class academically were Barry Reid, Jerry Wiley, Constance Wood, Ava Smith, Shirley Graeber, Eliza Seigle, Mae Frances Branch, Brenda Abel, Franklin Ingram, and George Parker. They were chosen because of their scholastic averages to be waiters and waitresses for the Junior-Senior Prom. Our class really accomplished a historical feat when we sponsored the first Sophomore Ball. Mrs. Mary Leazer was our inspiration and counselor for this affair. Our theme was "The Night Has A Thousand Eyes."

The year was '64 - '65 and we were the mighty juniors. Our advisors were Mrs. Naomi Mitchell, Mr. Harry Koontz, and Mr. William Smith.

Serving the Student Council were Jerry Wiley as Vice-President and Elaine Patterson as Secretary. Mary Scott, Minervia Patterson, and Barry Reid were representatives.

We proudly elected Bary Reid as president of our very powerful junior class; Thomas Witherspoon, vice-president; Eliza Seigle, secretary; Minervia Patterson, treasurer; and Brenda Abel, reporter. We had the honor of entertaining the Seniors at the Junior-Senior Prom, using the theme "Tender is the Night."

We were victorious in winning another "Miss Dunbar" contest with Sandra Witherspoon as our contestant. Although not successful, but making a good showing for our class in the "May Queen" contest was Elaine Patterson. History was still being made when Jerry Wiley, Barry Reid, Constance Wood, Ava Smith, Shirley Graeber, Eliza Seigle, Mae Frances Branch, Thomas Witherspoon, Brenda Abel, Franklin Ingram, and Elaine Patterson were chosen as marshals and ushers for the 1965 commencement exercises.

At last our wonderful year has come! We are now Seniors. We are under the supervision of Mrs. Julia B. Kelly, Mrs. Winifred Poe, and Mrs. Beatrice Davis.

Our class won its third "Miss Dunbar" title with Brenda Abel as our contestant. We are happy to end our school years by having representatives in every extra-curricular activity in the school.

As we end our twelve years of schooling, we look back on these grand experiences with great pride and much appreciation. We feel now that we have gained the stamina that will enable us to meet the responsibilities and encounter the challenges of the future.

CLASS SONG

Tune: More

Dunbar we really hate to leave our
school,
But it is time for us to say adieu;
We'll miss you all, we love you so,
we hate to go,
But thanks faculty it's time to
face reality . . . .

We enjoyed our twelve long years at
Dunbar High,
We'll always look back with a sorrowful
sigh;
Those were the golden years and now
we start to shed
Our tears for our dear school to you
we say adieu.

CLASS POEM

To thee, O Dunbar High,
We promise our loyalty,
In adoration we greet thee
With firm fidelity.
Our teachers, warm and
zealous,
The relationships, tender
and true,
The principles you stand for,
We'll contend to follow through.

Here stands a school named
Dunbar High
That will never cease to teach
Those lasting truths to live
and
Lead to goals one strives to
reach.
We, the children of this
school,
Give greatest thanks to thee!
Your name will live within
our hearts
Throughout eternity.

IN MEMORIAM . . .

Mr. Sam Witherspoon

We pause to pay tribute to one who has meant much to us at Dunbar. The many contributions Mr. Sam Witherspoon made to the school, to his church, and to the community will ever live on.

"Forgive my grief for one removed,
Thy creature, whom I found so fair.
I trust he lives in thee, and there
I find him worthier to be loved."

from "In Memoriam" by Alfred Lord Tennyson

Normally this page would have been found at the beginning of our book, but our book had already gone to press at the time of Mr. Witherspoon's death.

OUR SCHOOL SONG

Alma Mater Dear we praise thee
Dear Ole White and Blue,
Hearty Voices now uniting
Pledge devotion true.

Dear ole Dunbar . . . Dear ole Dunbar
Louder still we sing
Swell the song and lift the cry
Hail to Dunbar High.

High school days are swiftly passing
Soon we'll say good-bye,
Even then we'll pledge our love for
Dear ole Dunbar High.

Tune: Alma Mater

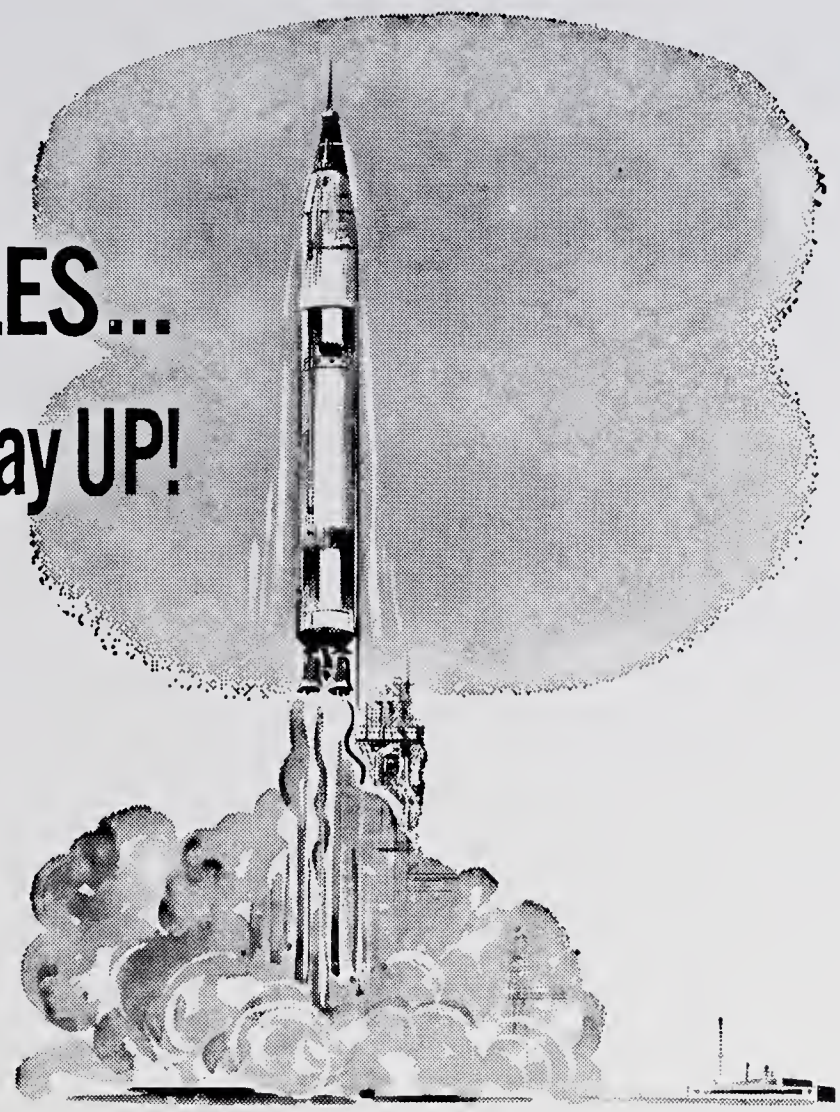
TEXTILES...
on the way UP!



Today's textile industry plays a modern, dynamic role in our lives through its continuing scientific research and development. **Cone Mills is an important part of this great industry.**

If you are interested in joining a progressive team of people engaged in production, administration, research and sales, come to see us or write our Industrial Relations Department.
